

Primera pantalla que aparece

The screenshot shows the ITK-SNAP website's download page. At the top left is the ITK-SNAP logo with a red 3D model of a brain. To the right is a dark blue navigation menu with links for HOME, SUPPORT, DOWNLOADS, PUBLICATIONS, DOCUMENTATION, CREDITS, SOURCE CODE, VIDEO LIBRARY, LINKS, and SCREENSHOTS. A 'Latest News' box below the menu states: '04/22/24: ITK-SNAP 4.2.0 has been released!'. Below the navigation is a purple bar with links for ITK-SNAP 4.X, ITK-SNAP 3.X, CONVERT3D, and IMAGE DATA. The main content area is titled 'ITK-SNAP Downloads' and is divided into three sections: 'ITK-SNAP 4.2.0', 'ITK-SNAP 4.0.2', and 'ITK-SNAP NIGHTLY BUILDS (LATEST AND GREATEST)'. Each section lists download options for Windows, Linux, and macOS, along with 'Release Notes' links. The 'ITK-SNAP NIGHTLY BUILDS' section includes a note: 'The files below are the latest nightly builds of the code in the ITK-SNAP master branch. Some features may not work properly.' At the bottom, there is a section for 'ITK-SNAP OLDER VERSIONS' with a link to the Sourceforge.net file area and a footer with 'Edit - History - Print - Recent Changes - Search' and 'Page last modified on April 19, 2024, at 08:26 PM'.

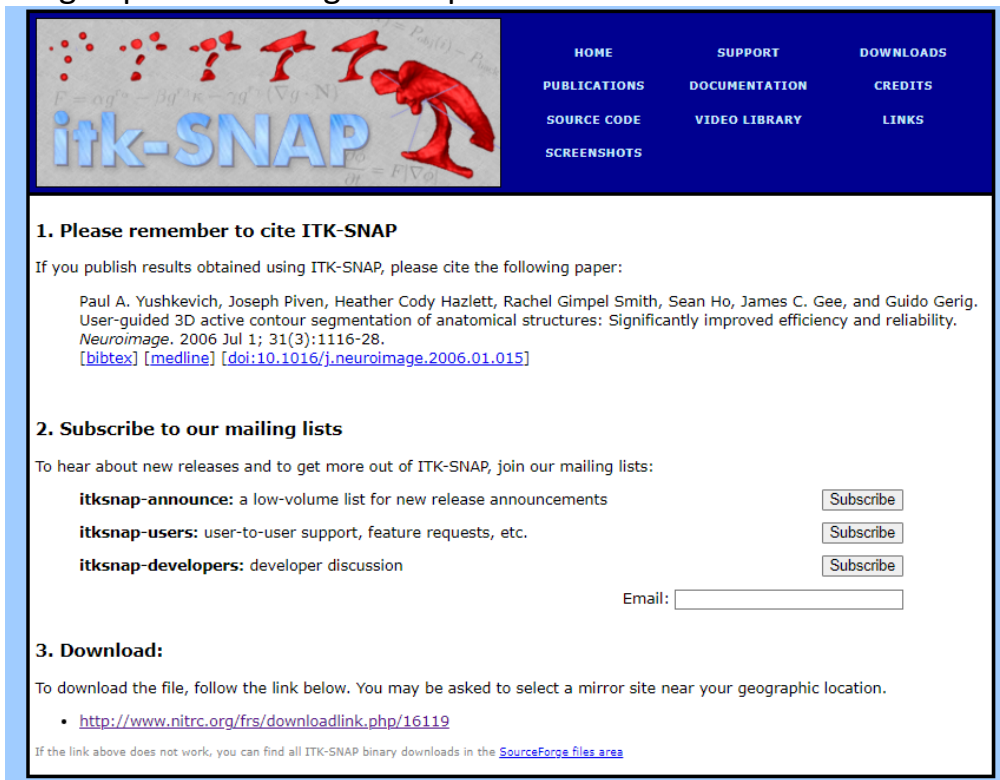

Elegir para descargar la primera opción **ITK-SNAP 4.2.0**, según sistema operativo de su equipo portátil.

Aprecerá la siguiente pantalla una vez seleccionado el item anterior:

The screenshot shows the ITK-SNAP website's feedback form. At the top left is the ITK-SNAP logo with a red 3D model of a brain. To the right is a dark blue navigation menu with links for HOME, SUPPORT, DOWNLOADS, PUBLICATIONS, DOCUMENTATION, CREDITS, SOURCE CODE, VIDEO LIBRARY, LINKS, and SCREENSHOTS. The main content area is titled 'Help us improve ITK-SNAP!' and contains a form with the following fields: 'Your name:', 'Your organization:', 'Your primary area of research:', 'How did you learn about ITK-SNAP?' (dropdown menu with 'please select an option...'), 'Which feature of ITK-SNAP interests you most?' (dropdown menu with 'please select an option...'), 'Your website (optional):', and 'Your email address (optional):'. A 'Submit' button is located at the bottom center of the form. A link for 'skip registration' is located at the bottom right of the page.

Allí deberá completar con sus datos y continuar una vez realizados donde dice **Submit**.

Luego aparecerá la siguiente pantalla:

1. Please remember to cite ITK-SNAP

If you publish results obtained using ITK-SNAP, please cite the following paper:

Paul A. Yushkevich, Joseph Piven, Heather Cody Hazlett, Rachel Gimpel Smith, Sean Ho, James C. Gee, and Guido Gerig. User-guided 3D active contour segmentation of anatomical structures: Significantly improved efficiency and reliability. *Neuroimage*. 2006 Jul 1; 31(3):1116-28.
